The Turkic World Mathematical Society **(TWMS)** was founded in 1999 and unites mathematicians from Turkey, Kazakhstan, Azerbaijan, Kyrgyzstan, Uzbekistan, Russia, Iran, China, Mongolia, USA and European countries. It had been held five congresses of this society since 1999:

- The first Congress of the Turkic World Mathematical Society - Firat University, Elazig, Turkey, 1999.
- The second Congress of the Turkic World Mathematical Society - Sakarya University, Adapazari, Turkey, 2007.
- The third Congress of the Turkic World Mathematical Society - al-Faraby Kazakh National Universit, Almaty, Kazakhstan, 2009
- The forth Congress of the Turkic World Mathematical Society- Baku, Azerbaijan, 2011
- The fifth Congress of the Turkic World Mathematical Society- Bishkek, Kyrgyzstan, 2014.

The Third Congress decided to establish a new Journal of the Society ***"TWMS Journal of Pure and Applied Mathematics".***

The establishment of the journal is under the responsibility of the **Azerbaijan** team.
